

## **Join the City of Ryde's Ryde Environmental Education Network (REEN) and Enhance Your Teaching Career!**

---

**The Ryde Environmental Education Network (REEN) is your gateway to a world of exciting opportunities and professional growth.**

### **What is REEN?**

REEN is a dynamic community of like-minded educators and professionals dedicated to promoting environmental awareness and sustainability in City of Ryde schools.

Our network aims to inspire and empower teachers to incorporate environmental education into their curriculum effectively.

## Benefits of joining REEN?

### 1. Professional Development:

Attend our quarterly meetings and gain valuable insights from experienced environmental educators. Enhance your teaching skills and stay updated on the latest trends and strategies in environmental education.

### 2. Networking Opportunities:

Connect with fellow educators, school administrators, and environmental experts in the City of Ryde who share your passion for sustainability. Expand your professional network and collaborate on innovative projects.

### 3. Resource Sharing:

Access a wealth of educational resources, lesson plans, and teaching materials tailored specifically for environmental education. Benefit from the collective knowledge and expertise of our network members. City of Ryde offers incursions and professional development funding opportunities for REEN teachers in schools in the City of Ryde.

### 4. Inspiration and Support:

Be part of a supportive community that fosters creativity, motivation, and inspiration. Exchange ideas, share success stories, and find encouragement to overcome challenges in your teaching journey.

### 5. Community Engagement:

Join hands with REEN in organising community events, workshops, and awareness campaigns. Make a real difference by actively engaging students, parents, and the wider community in environmental conservation efforts.

## How to Get Involved

1. Visit our website at [www.ryde.nsw.gov.au/REEN](http://www.ryde.nsw.gov.au/REEN) to learn more about REEN and its initiatives.
2. Sign up for our mailing list to receive regular updates, event invitations, and useful resources.
3. Attend our next meeting and connect with fellow educators who share your passion. Discover new teaching strategies and unlock your full potential as an environmental educator.
