

Recycling made easy!

RecycleSmart collects tricky-to-recycle items from your doorstep and drops them off to be recycled.

Soft plastics

Plastic that can be easily crumpled

Blister packs

Polystyrene

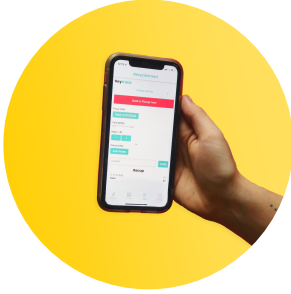

Toys

How it works:

1. Schedule a pickup
Visit recyclesmart.com or download our app to create an account.

2. Pack bags
Each day, put your hard-to-recycle things in your bag

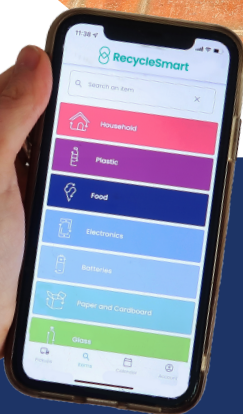

3. We collect them
The driver collects your items and drops them off at our recycling partners

Book a FREE recurring collection

We are partnered with City of Ryde Council to offer you a free recurring collection. Sign up through the app or website to get started.

Search Australia's most comprehensive recycling database to find out what goes where with Recyclopedia
